Attendance Area *(For more information, please reference Board Policy 411.)*

“The Superintendent is authorized to establish attendance areas,” pursuant to 17 GCA §6102. A list of attendance areas shall be made available for review in the main office and at the Department Of Education’s central office for examination by any interested party. A child is required to attend the school which serves the attendance area in which:

1. His/her parents or guardians* live; or
2. Caretaker who is responsible for providing the student with food, clothing, or shelter in the absence of parent or legal guardian**.

()A guardian is defined as an adult other than a parent who has been lawfully invested with the power, and charged with the duty, of taking care of a child, as evidence by a court order.*

*(**) The GDOE procedures for dealing with children who are registered by an adult who is not the legal guardian shall be implemented whenever children are registered under these circumstances.*

For Adults Who Are Caretakers of the Children They Register

(For more information, please SOP 1200-023, Chapter 11)

Child Protective Services (CPS), an agency of the Government of Guam, will be informed by the school that you are taking care of the child and you are not the child’s guardian. As a caretaker, you do not have the authority to:

1. Provide consent for medical treatment which may be needed by the child; and
2. Make decisions regarding the child’s education.

Caretakers must complete the *Student Registration by Caretaker Form* found in the packet. CPS is responsible for investigating these types of situations to determine what needs to be done to enable children to obtain the medical and educational care described above. CPS will work with the adult or caregiver to determine how to best do this. The caretaker and the school are both responsible for following up every 30 days on the legal guardianship status for the child. The school is responsible for documenting the efforts in PowerSchool to track the progress. (19 GCA §13201)

Uniform Policy (Board Policy 401) *(For more information, please reference Board Policy 401.)*

The Board recognizes that school uniforms enhance the learning environment. The intent of the policy is to promote the following: improve student behavior, promote appropriate attire, promote unity and pride, promote safety and security of all school personnel, minimize and or eliminate any socio-economic distinction, and promote an environment free of harassment. The following guidelines for students to follow:

1. No hats or bandanas are to be worn on school campus;
2. Pants/shorts/skorts do not need to be vendor-specific, but need to be the same color as required by the school;
3. Any color undershirt can be worn, as long as there is no obscene language or picture or unless there is a reason to believe it is gang-affiliated;
4. No revealing clothing blouses, spaghetti straps, and high heels; and no open toe shoes; and
5. Also, schools may apply additional restrictions as per BP 400 to meet their school’s mission.

The two exemptions for the policy include: provisions for medical reasons or school-wide general dress-down approved by school principal.

Secondary students are allowed to use any school bag of their choice as long as it abides by the following restrictions:

1. No vulgar language/inappropriate images.

Important Information For Adults Who Are Caretakers of the Children They Register:

Child Protective Services (CPS), an agency of the Government of Guam, will be informed, by the school that you are taking care of the child listed on the front of this form and that you are not the child’s guardian. This will be done in order to help the child. Please consider the following.

Because you do not have the documents described above, you do not have the authority to:

1. provide consent for medical treatment which may be needed by the child; and
2. make decisions regarding the child’s education.

19 GCA §13201 requires educators to inform CPS whenever this type of situation occurs.

CPS is responsible for investigating these types of situations to determine what needs to be done to enable children to obtain the medical and educational care described above. CPS will work with the adult or caregiver to determine how to best do this.

The Caretaker and the school are both responsible for following up every 30 days on the legal guardianship status for the child. The school is responsible for documenting the efforts in PowerSchool to track the progress.
